

VEHICLE MANAGEMENT

YOUR GUIDE TO END OF CONTRACT RECHARGES

As you are approaching the end of your contract, and prior to your vehicle inspection, we would like to make you aware of the two following key stipulations which can be found in the BVRLA Guide to Fair Wear and Tear:

- The vehicle must meet MOT standards and have been serviced according to the manufacturer's servicing schedule. The stamped service book must be available for inspection.**
- The service book must be date-stamped by the authorised repairer.**

If you fail to have the vehicle serviced in accordance with the manufacturer's guidelines, your warranty will be invalidated and therefore the value of your vehicle reduced.

Your Vehicle Inspection:

If you decide to return your vehicle, please make sure it has been cleaned and is easily accessible. This will ensure that the collection agent can view the vehicle with you and record any obvious damage. All recharges will be based on the tables below in conjunction with the BVRLA Fair Wear and Tear guide (available from Lombard upon request). To help you understand levels of acceptable and unacceptable damage, you can also refer to our brief guide to Fair Wear and Tear (downloadable from www.lombard.co.uk/vehicleguides)

If you have any questions, do not hesitate to contact us on **0870 850 0057**.
