

WHAT IS INTELLECTUAL PROPERTY FUNDING?

Intellectual Property Funding is a new asset finance solution that's designed to unlock the hidden value of your own unique software IP – your business' intangible assets. It's an innovative way of injecting capital into your business, without sacrificing control.

HOW IT WORKS IN 6 EASY STEPS

WHY LOMBARD?

We're proud to be one of the UK's leading providers of technology funding and asset management services. We always put our customers at the heart of our business – providing them with the right products that best suit their diverse needs.

Want to unlock the value of your software IP?
